The Corps Regulatory Division is soliciting comments from the public, federal, state, and local agencies and officials, American Indian tribes, and other interested parties for consideration and evaluation of the impacts of this proposed activity. Instructions for commenting on the Public Notice are included in the Notice available at the above link.

The Corps Regulatory Program evaluates permit applications for most construction activities that occur in the nation's lakes, rivers, streams, oceans, and wetlands. Written comments received during the public review period will be considered by the Corps and will become part of the administrative record for the decision.

You may contact Michael Langley, Project Manager, at 602-230-6953 or via email at [Michael.W.Langley@usace.army.mil](mailto:Michael.W.Langley@usace.army.mil) with any questions or comments regarding this matter. For information on how to comment on this proposed action, please see the Public Notice.
