

Commander's Message

Dear Congressional Members,

I would like to take this opportunity to personally express my commitment to work in full partnership to serve you and the constituents you represent.

The U.S. Army Corps of Engineers, Los Angeles District's mission includes executing the Corps' Military Construction, Civil Works and Interagency & International Services programs in Southern California, southern Nevada, Arizona and parts of Utah. We stand ready to provide you and the members of your staff with any and all information and assistance pertaining to Corps projects and programs in your district footprint.

I am excited about continuing to work together during my tenure as Commander and District Engineer, and I look forward to future opportunities to serve the people of this great nation.

"Building Strong and Taking Care of People!"

Sincerely,

R. Mark Toy, P.E.
Colonel, US Army
Commander and District Engineer
