**SUBJECT: Extension of Jurisdictional Determination: File No. SPL-2006-01531-DE**

Dear Mr. Siders:

I am responding to your letter of May 14, 2013, in which you requested that the approved jurisdictional determination for the proposed development known as Foothills West, dated July 24, 2008, be extended for another five years. The jurisdictional determination includes unnamed washes in Sections 34 and 35, Township 01 South, Range 02 East, Phoenix, Maricopa County, Arizona. The current owner is BBC Phoenix, LLC.

The previous jurisdictional determination is hereby extended an additional five years until July 24, 2018. Any discharge of dredged and/or fill material into the designated jurisdictional areas may require a Section 404 permit from the Corps of Engineers.

If you have any questions, please contact me at 602-230-6950 or via e-mail at [Sallie.McGuire@usace.army.mil](mailto:Sallie.McGuire@usace.army.mil).

Please be advised that you can now comment on your experience with Regulatory Division by accessing the Corps web-based customer survey form at:

Sincerely,

Sallie McGuire  
Chief, Arizona Branch
