

U.S. Army Corps of Engineers Phase 2

1) Enrollment

Sign an Right of Entry form to enroll in the Private Property Debris Removal Program at: recovery.lacounty.gov

2) Debris Removal

Crews remove eligible debris within the structural ash footprint using lined dump trucks to approved landfills.

3) Erosion Control

Once work is completed and erosion control measures are installed, LA County and you will be notified that the work is complete.

Trees that are determined dead, or dying by a California licensed arborist will be removed.

Eligible, titled vehicles and vessels will also be removed.
