Planning Division

DEAR INTERESTED PARTIES:

Enclosed is an errata sheet, dated October 5, 2017, which has been prepared to accompany the Draft Integrated Feasibility Report (IFR) and Integrated Environmental Impact Statement (EIS) and Environmental Impact Report (EIR) for the Aliso Creek Ecosystem Restoration Project, Orange County, California.

Sincerely,

Eduardo T. De Mesa
Chief, Planning Division

ERRATA SHEET

October 6, 2017

Addendum to the Aliso Creek Ecosystem Restoration Study, Draft Integrated Feasibility Report/EIS/EIR (dated September 2017)

Any reference in the subject document (including appendices), to the National Ecosystem Restoration (NER) Plan and Tentatively Selected Plan (TSP), denotes the currently identified NER Plan and TSP, which are subject to change. These designations do not affect the substance of the analyses presented in the draft document.
