BUILDING STRONG®

Cave Buttes Dam Modification Project– Auxiliary Outlet Phoenix, Maricopa County, Arizona

Comment Period: September 21, 2015 to October 21, 2015

Direct comments to: Ms. Deborah Lamb

The U.S Army Corps of Engineers (Corps), is in receipt of a request by the Flood Control District of Maricopa County, Arizona to modify a Federal project, Cave Buttes Dam, Dike No. 1 to facilitate flood risk management by constructing a new outlet and drain, implementing a new inlet and outlet, adding a new energy dispersion structure, and channelizing the downstream creek. To modify a Federal constructed structure, a Permit complying with Section 408 of the Rivers and Harbors Act of 1899 must be obtained by the requester. The Corps, in compliance with the National Environmental Policy Act is preparing an Environmental Assessment and is soliciting agency and public comments on the proposed project.

The comment period of 30 days is from September 21 to October 21, 2015. Comments should be sent to:

Deborah Lamb
