Notice of Preparation

The U.S. Army Corps of Engineers (Corps) has received a request from the City of Los Angeles Department of Parks and Recreation to hold a three day “Concert in the Park” over the three day Labor Day weekend/holiday (September 5-7, 2020.), in the Sepulveda Dam Flood Control Reservoir (Sepulveda Dam Reservoir), in Los Angeles County, California. The Corps has prepared this Environmental Assessment (EA) to evaluate the potential impacts of the Proposed Action, including the proponent’s Preferred Alternative (Proposed Action), other reasonable alternatives, and the no action alternative. A Draft Finding of No Significant Impact is included. Copies of appendices will be sent via email upon request to Deborah.L.Lamb@usace.army.mil

This EA has been prepared pursuant to the National Environmental Policy Act (NEPA) (42 U.S. Code (U.S.C.) 4321, et seq.), Council on Environmental Quality (CEQ) regulations published at 40 Code of Federal Regulations (C.F.R.) Part 1500, et seq., other environmental laws, Executive Orders (EOs), and Corps’ regulations and policies.

The Corps is requesting comments pertaining to the request from Federal, state, local agencies, and the interested public. All comments must be received by **5 p.m. on September 23, 2019**.

If you have questions or would like additional information, please contact Deborah Lamb at (213) 452-3798. Comments may be sent via email to Deborah.L.Lamb@usace.army.mil
