

PUBLIC NOTICE

Decision to accept funds from Los Angeles County Metropolitan Transportation Authority

**U.S. ARMY CORPS OF ENGINEERS
LOS ANGELES DISTRICT**

BUILDING STRONG®

Public Notice/Application No.: SPL-408-LACMTA-WRDA214

Project Manager: Rafiqul Talukder, (213) 452-3745; Email – Rafiqul.I.Talukder@usace.army.mil

This Special Public Notice announces that the District Commander of the Los Angeles District of the U.S. Army Corps of Engineers (“Corps”) has decided to accept and expend funds contributed by the Los Angeles County Metropolitan Transportation Authority (“Metro”). The Los Angeles District would allocate funds internally in order to expedite processing of Metro’s Department of the Army (DA) permit application(s) in accordance with 33 U.S.C. 408¹ (Section 408). Though Metro would receive more expeditious reviews of their permit applications, procedural and substantive requirements of the DA permit application review process remain unchanged. The decision to accept funds does not constitute any endorsement or implied consent of the Metro’s proposed project(s); rather, it will enable Corps personnel to devote the attention required to these applications, in both a timelier and more thorough manner, benefiting both Metro and the public.

Copies of the relevant documents related to this decision, as well as any permit decisions in the future, can be viewed at the Los Angeles District’s webpage at:
