RE: Navigability of the Colorado River

Dear Colonel Teague:

With regard to the above, and with regard to your letter of September 8, 1980, I would like to thank you for taking time out of your busy schedule to supply me with the information. As I am preparing a Motion for Summary Judgment under Arizona Rules of Civil Procedure, and the information you have supplied me is a very important part thereof, I find that this information from you must be contained in Affidavit form for purposes of submission to the Court. I have taken the liberty of preparing an Affidavit which contains substantially the same information which you have presented to me in your letter of September 8, and I would appreciate your reading and signing the same, having it notarized, and returning to this office as soon as possible.

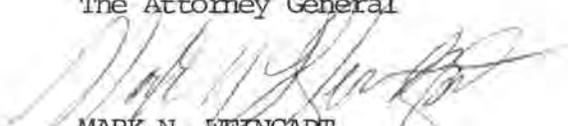

I am asking you to put forth this effort in the hopes of thus avoiding the necessity of calling any member of your department as a witness at any such hearing.

Therefore, if the Affidavit meets with your approval, please sign same and have fully executed and return to this office. If you should have any questions about any of the paragraphs contained in the Affidavit, please do not hesitate to call upon me. If I hear nothing from you, I will assume that the same is acceptable and meets with your approval.

Thank you again for all your cooperation and consideration in this matter, and I will be looking forward to hearing from you in the very near future.

Sincerely,

ROBERT K. CORBIN  
The Attorney General
