

Detour Guide for Temporary Closures on LOS ANGELES RIVER BIKE PATH

On Friday, January 8, 2016 Mayor Eric Garcetti and Los Angeles District Commander Col. Kirk Gibbs announced that the U.S. Army Corps of Engineers (USACE) will be taking new interim measures to improve flood protection on the Los Angeles River during #EINiñoLA.

While these safety measures are in place, the segment of the Los Angeles River Bike Path between Griffith Park to Elysian Valley will be closed to people walking and bicycling. This guide shows a detour route for people that want to travel on a bike on the open portions of the bike path.
